Entry guidelines and scoring

Entry process

Information for the Finder Awards will be collected directly from entrants through online submissions. Where available, Finder will cross-check this information against publicly available information. We reserve the right to revoke submissions if any information provided is found to be false, misrepresentative or misleading. Specific data points provided by entrants will be used for judging purposes only and will not be shared externally without the entrant's explicit consent.

You can submit your entry via the submission portal:

- <https://finderawards.awardsplatform.com/>

Assessment period

We request that all data entered through the submission forms is for the 12 months leading to May 01 2021. The deadline for submissions is 5pm AEST Friday 18 June 2021.

Best Automotive Innovation (new category)

Entry criteria

What we're looking for: The best automotive innovation available in Australia.

Who can enter: Any automobile manufacturer available in the Australian market or automotive related business, e.g. tech for cars.

Word count: Limit your entry to 800 words or less, bullet points accepted.

Criteria

Innovation: 40%

- Describe an automobile innovation that you've introduced in the 12 months to May 2021.
- Explain the reason for its introduction, what makes it unique or innovative, any challenges you faced and how it helped you stand out from your competitors.

Impact/success: 60%

- Provide evidence for the impact of the innovation during the assessment period. Evidence could include improvements in customer numbers, revenue, engagement, NPS or other metrics.

Best Banking Innovation

Entry criteria

What we're looking for: The most disruptive banking innovation available in Australia.

Who can enter: Any bank (including neo or digital bank), credit union, building society, financial institution or payments provider/platform operating in the Australian market.

Word count: Limit your entry to 800 words or less, bullet points accepted.

Criteria

Innovation: 40%

- Describe an innovation that you've introduced for your customers in the 12 months to May 2021.
- Explain the reason for its introduction, what makes it unique or innovative, any challenges you faced, how it helped you stand out from your competitors and how it benefits your consumers.

Impact/success: 60%

- Provide evidence for the impact of the innovation since its introduction. Evidence could include improvements in customer numbers, revenue, engagement, NPS or other metrics.

Best Buy Now, Pay Later Innovation (new category)

Entry criteria

What we're looking for: The most disruptive buy now, pay later (BNPL) innovation available in Australia.

Who can enter: Any platform offering buy now, pay later services in the Australian market.

Word count: Limit your entry to 800 words or less, bullet points accepted.

Criteria

Innovation: 40%

- Describe a BNPL innovation that you've introduced in the 12 months to May 2021.
- Explain the reason for its introduction, what makes it unique or innovative, any challenges you faced, how it helped you stand out from your competitors and how it benefits your customers.

Impact/success: 60%

- Provide evidence for the impact of the innovation during the assessment period. Evidence could include improvements in customer numbers, revenue, engagement, NPS or other metrics.

Best B2B Innovation

Entry criteria

What we're looking for: Companies offering innovative solutions for small businesses operating in Australia.

Who can enter: Any business or brand that provides a product or service to small businesses (including a platform, app or software program) within the Australian market.

Word count: Limit your entry to 800 words or less, bullet points accepted.

Criteria

Innovation: 40%

- Describe an innovation that you've introduced for your business customers in the 12 months to May 2021.
- Explain the reason for its introduction, what makes it unique or innovative, any challenges you faced and how it helped you stand out from your competitors.

Impact/success: 60%

- Provide evidence for the impact of the innovation during the assessment period. Evidence could include improvements in customer numbers, revenue, engagement, NPS or other metrics.

Best Energy Innovation (new category)

Entry criteria

What we're looking for: The best energy innovation available in Australia (billing, plans, bundles or other related product, service or innovation).

Who can enter: Any energy retailer, wholesaler or related business that caters for residential energy customers in Australia.

Word count: Limit your entry to 800 words or less, bullet points accepted.

Criteria

Innovation: 40%

- Describe an innovation that you've introduced in the 12 months to May 2021.
- Explain the reason for its introduction, what makes it unique or innovative, any challenges you faced, how it helped you stand out from your competitors and how it benefits your consumers.

Impact/success: 60%

- Provide evidence for the impact of the innovation during the assessment period. Evidence could include improvements in customer numbers, revenue, engagement, NPS or other metrics.

Best Innovation in Digital Currencies (new category)

Entry criteria

What we're looking for: The most disruptive digital currency innovation available in Australia.

Who can enter: Any business related to or dealing with cryptocurrency / digital currencies.

Word count: Limit your entry to 800 words or less, bullet points accepted.

Criteria

Innovation: 40%

- Describe an innovation in cryptocurrency/digital currencies that you've introduced in the 12 months to May 2021.
- Explain the reason for its introduction, what makes it unique or innovative, any challenges you faced, how it helped you stand out from your competitors and how it benefits your customers.

Impact/success: 60%

- Provide evidence for the impact of the innovation during the assessment period. Evidence could include improvements in customer numbers, revenue, engagement, NPS or other metrics.

Best Insurance Innovation

Entry criteria

What we're looking for: The best innovation in insurance available in Australia

Who can enter: Any insurance provider operating in the Australian market.

Word count: Limit your entry to 800 words or less, bullet points accepted.

Criteria

Innovation: 40%

- Describe an insurance innovation that you introduced in the 12 months to May 2021.
- Explain the reason for its introduction, what makes it unique or innovative, the technology and/or features that differentiate your product/service from what's currently available in the market and any challenges you faced.

Impact/success: 60%

- Provide evidence for the impact of the innovation since its introduction. Evidence could include improvements in customer numbers, revenue, fraud prevention, underwriting, customer experience, processing speed, claims outcomes, NPS or other relevant metrics.

Best Insurtech Innovation (new category)

Entry criteria

What we're looking for: The best innovation in insurtech available in Australia.

Who can enter: Any insurtech provider, or related business operating in the Australian market.

Word count: Limit your entry to 800 words or less, bullet points accepted.

Criteria

Innovation: 40%

- Describe an insurtech innovation that you introduced in the 12 months to May 2021.
- Explain the reason for its introduction, what makes it unique or innovative, the technology and/or features that differentiate your product/service from what's currently available in the market and any challenges you faced.

Impact/success: 60%

- Provide evidence for the impact of the innovation since its introduction. Evidence could include improvements in customer numbers, revenue, fraud prevention, underwriting, customer experience, processing speed, claims outcomes, NPS or other relevant metrics.
